Product name

**FUNDA BOLD**

Description

Following the great success of the Funda collection, we have extended the range with the new Funda Bold, an oversized lounge chair with a matching ottoman, designed in collaboration with Stefan Diez.

To increase wellbeing whilst solo working, the new armchair collection includes a practical ottoman, that can be used as a relaxing footrest or independent seat. Funda Bold also includes matching cushions, designed to hug the user, and give support to the lower back.

2023 PRODUCT LAUNCHES

Product name	<b>FORO</b>
Designed by	<b>JOHN PAWSON</b>
Description	<p>In the ancient roman culture, Foro (<i>latin forum</i>) was the popular place to gather, the meeting point where citizens commonly carried out their social, financial, religious, and economic duties. The table designed by John Pawson sums up this collaborative concept with great precision and consciousness. A minimalist piece meticulously crafted in oak wood, the most noble material to convey richness, warmth and depth to any atmosphere.</p> <p>Foro can include a new electrification solution that cleverly conceals cables through the leg together with a new powerbox that integrates with the table design.</p>

Product name

**ZOCO**

Designed by

**VICTOR CARRASCO**

Description

Zoco pays tribute to the traditional markets held in Arabic countries, central hubs of collaboration between different cultures. A place that fuses colors, textures and scents that connect people to each other, sparking creativity, interaction, and consensus. This is what Zoco is all about, a comfortable lounge chair with rounded shapes where work meetings, friendly encounters and the exchange of ideas revolve. Its lightness and comfort encourage wellbeing and its practical optional casters allow to carry it easily from one point to another, transforming spaces according to the needs of the moment.

Product name

**TRIVIO**

Designed by

**JASPER MORRISON**

Description

Trivio is our first collection with designer Jasper Morrison, a long-awaited collaboration which has matured in time, slowly and thoughtfully. The result is a bistro style table collection, thoroughly crafted in oak wood with a clean, gentle and visually light design inspired in the “Super Normal” work of the British designer. One measurement, one height, but infinite color combinations to shape a remarkable wooden table, sketched from the ordinary and transformed into something extraordinary.
